

**SolarGrid Energy Solutions**

# **10 degree portable power bank**

## Overview

---

### What is a power bank Charger?

The power bank chargers allow you to fully charge a single device repeatedly or multiple devices simultaneously. These compact power banks can easily slide into a pocket, handbag, or backpack to help you stay connected even when you're on the go.

### Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our Best MagSafe Power Banks guide for Apple-specific portable chargers, and our Best Portable Power Stations guide if you need more power. Updated June 2025: We've added power banks from Redmagic and Statik, and added a new FAQ.

### How much does a power bank cost?

Iniu Power Bank Bal-B64 for \$72: Offering relatively low prices, Iniu is a power bank brand on the rise. This portable charger packs a 27,000-mAh capacity, can put out up to 140 W, and charges three devices at once via two USB-C ports and a single USB-A port.

### Which power bank is best for a laptop?

Its rate of power delivery is right up there with the best banks on the market, but the bank itself is fairly low to charge. Unlike many of the smaller banks on this list, the UGREEN 145W power bank is potent enough to support a laptop. It doesn't support Samsung Super Fast Charging, but it seems to thrive when paired with Apple products.

### Which power banks have pass-through charging?

Pass-through equipped power banks can charge devices while plugged into a wall charger — a handy feature when you're in a hurry. Many power banks on this list have pass-through charging, including our top pick the Nestout

15,000mAh Outdoor Battery. Durability is a major factor in how brands design products for our use and abuse.

What is the best budget power bank?

Our best budget option, the Skullcandy Fat Stash 2 optimizes charging despite its compact design. No matter what you're looking for, we're confident this list comprises the best power banks available today.
