# 385W Solar Photovoltaic Panel

## Overview

---

What is a 385w Sun solar panel?

Solar panels 385W SUNERGY SUN 60M-H6 360W-385W The 385W SUNERGY SUN 60M-H6 solar panels are high-performance mono-crystalline models built using high-quality solar cells and advanced technologies to maximize the efficiency of converting solar energy into electricity.

Are 385w solar panels a good choice?

While they are a good choice for a residential installation, 385W panels are suited perfectly for commercial systems and can power your shop, office or even factory. High wattage allows you to use your space more efficiently. A frame from anodized aluminum improves the durability of a module and makes it resistant to hail, wind and storms.

How big is a 385 watt solar panel?

Check the current prices for 385 W solar panels in our store. A typical solar panel is 65 x 39 inches. The size may vary depending on the number of cells. In commercial systems 72-cell and 96-cell are often used: they are a little bigger and don't always fit on the house roof.

What is JA Solar jam54s31-385mr 385w full-black solar panel?

JA SOLAR JAM54S31-385MR 385W full-black solar panel, assembled with 11BB PERC cells, the half-cell configuration of the modules offers the advantages of higher power output, better temperature-dependent, reduced shading effect on the energy generation, lower risk of the hot spot, as well as enhanced tolerance for mechanical loading.

How much power does a Jinko Solar module provide?

Jinko Solar module provides 385 Watts of power with 19.13% conversion rate — much higher than average numbers in the industry. High production levels are achieved by using Diamond half-cut PERC solar cells. Half-cut cell design

lowers the resistance of a cell and PERC technology increases the efficiency by 1% by itself.

How much power does a solar panel produce?

These panels have a nominal power range of 360W to 385W, which means they can produce a significant amount of electrical energy and are ideal for commercial and industrial applications. This product is already in your quote request list.
