48v32ah lithium battery for outdoor power supply

LFP 12V 200Ah

Overview

What is a 48V lithium ion battery?

High output 48V lithium-ion battery designed for use on golf carts, electric outboards and 4-wheelers. Engineered with Lithium Iron Phosphate (LiFePO₄) technology, this battery has twice the power, half the weight, and lasts 4 times longer than a sealed lead acid battery.

How safe is the lithium-ion powerbrick 48v-32ah battery?

The Lithium-Ion PowerBrick battery 48V-32Ah offers high level of safety through the use of cylindrical cells in Lithium Ferro Phosphate technology (LiFePO₄ or LFP). PowerBrick 48V-32Ah integrates an innovative Battery Management System (BMS) in its casing to ensure a very high level of safety in use.

What is a 48V 50Ah lithium ion battery kit?

This 48V 50AH Lithium Ion Battery Kit is plug and play for starting or deep cycle applications including Marine, RV, Golf, Solar, Off Grid, Propulsion and other applications requiring a lightweight lithium battery to replace Lead Acid, Gel or AGM Batteries.

What are the features of a 48V 20Ah lithium battery?

A 48V 20Ah lithium battery offers the following features: Long life, large capacity, and good shock resistance. It has low self-discharge and good discharge performance at low temperatures. Additionally, it has strong charging acceptance and quick-charging capability, as well as strong over-discharge resistance and charge retention.

How does powerbrick 48v-32ah work?

PowerBrick 48V-32Ah integrates an innovative Battery Management System (BMS) in its casing to ensure a very high level of safety in use. The BMS constantly monitors and balances the battery cells to protect the battery and

increase its life. The BMS also protects the battery from any misuse: deep discharge, high charging voltage, etc.

What is a LiFePO₄ battery?

Engineered with Lithium Iron Phosphate (LiFePO₄) technology, this battery has twice the power, half the weight, and lasts 4 times longer than a sealed lead acid battery. Industry leading Smart Battery Technology Blue tooth enabled will constantly monitor your battery and make changes to give you optimal performance all day.
