

# **African Solar Energy Storage Transformation Company**

## Overview

---

Solarise Africa delivers smart, scalable, and sustainable energy solutions across the continent – bridging finance, technology, and infrastructure to power African businesses toward a cleaner, brighter future. What are the most popular solar-plus-storage developments in Africa?

As noted by AFSIA Solar, one of the most notable solar-plus-storage developments in Africa is Norway-based independent power producer (IPP) Scatec's 225MW/1,140MWh Kenhardt project in South Africa. The site started operation in late 2023 (pictured above).

Is solar PV a focal energy resource for Africa?

Solar PV, which, as reported by our colleagues at PV Tech in their write-up of the AFSIA report, reached 19.2GW in 2024, increasing by 2.5GW on 2023 levels, is becoming the focal energy generation resource for Africa.

Who is SolaRISE Africa?

Solarise Africa is proud to be recognised as a leader in Africa's clean energy revolution. From global accolades to regional excellence awards, our work continues to set new benchmarks in distributed energy innovation. Real Impact. Real Energy.

Does Scatec have a solar-plus-storage site in South Africa?

Scatec's Kenhardt solar-plus-storage site in South Africa (above), which went online at the end of 2023. Image: Scatec. Africa's energy storage market has seen a boom since 2017, having risen from just 31MWh to 1,600MWh in 2024, according to trade body AFSIA Solar's latest report.

Who is Aces Africa?

ACES Africa; Empowering Africa through Solar, Energy Storage and BIPV Solutions. Committed to sustainability and durability, we apply rigorous engineering principles to fabricate systems renowned for their enduring

reliability throughout their life cycle.

Why should you choose SolaRISE Africa?

This solution ensures uninterrupted power supply and reflects a commitment to sustainable living. Marlo Farms, known for producing high-quality melons, tomatoes, and bell peppers, partnered with Solarise Africa to install a 496 kWp solar PV system.

## African Solar Energy Storage Transformation Company
