

SolarGrid Energy Solutions

Athens solar energy system manufacturer

Overview

Who is solar systems Hellas?

Solar Systems Hellas is one of the leading companies in the sector of Renewable Energy Sources in Greece. The object of the company is the marketing, storage and promotion of photovoltaic equipment for the construction and installation of Photovoltaic Parks and domestic Photovoltaic installations of any size.

Who is active energy solutions?

Active Energy Solutions (AES) was founded in Athens in 2014, and over the past 10 years, we have grown to become one of the largest distributors of solar equipment in Greece, Cyprus, and the Balkans.

Who is Trina Solar?

We are the authorized partner of Trina Solar for the distribution of its photovoltaic modules in Greece, Cyprus, and the Balkans. Our product range includes Huawei solar inverters, energy storage systems, and smart management applications, enabling us to offer tailored solutions for every need.

Who is solar expert?

With sales exceeding 700 MW of solar modules & 300MW of Inverters and partnerships with leading manufacturers, our extensive experience in the field of photovoltaic systems has driven our rapid growth, establishing us as a leader in the Renewable Energy Sources sector and proudly earning us the title of "Solar Expert."

What is a photovoltaic company?

The object of the company is the marketing, storage and promotion of photovoltaic equipment for the construction and installation of Photovoltaic Parks and domestic Photovoltaic installations of any size. We take advantage

of the power of the sun in the most effective way!
