

**SolarGrid Energy Solutions**

# **Bahamas Solar Battery Storage**

## Overview

---

### Who is Bahamas solar?

At Bahamas Solar we take care of your project from start to finish. Offering full turnkey systems for all residential and commercial operations. Serving all The Bahamas, from Nassau to the out islands. We offer customized solutions tailored to your specific needs. The first step to going solar is a site assessment.

### How long does a Bahama solar installation take?

Bahama Solar installs: Solar installation is the fun part, our customers get to see the whole system come together. Installation timelines range from one to five days. Installation Steps Monitoring insures your solar panels are working properly by tracking the output of your solar system.

### Do you have a warranty on your solar system?

Installing solar for the past 25+ years has given us some of the best experience in the industry. We have roofers that guarantee a leak free installation. And electricians to ensure your system is running top notch. All the equipment we install comes with a 20 year manufacturers warranty.
