# **Bhutan energy storage product exports**

## Overview

---

What are the imports of petroleum products in Bhutan in 2022?

The total value of imports of petroleum products in Bhutan for the year 2022 was Nu 14,263 million (NSB, 2014) of which petrol and diesel contributed to around 82 percent. The energy needs of the Transport Sector were primarily met by diesel, petrol, and ATF.

What is Bhutan's energy supply?

Bhutan's energy supply primarily relies on electricity, fuel-wood, coal, and diesel. Electricity is the largest contributor, with a shift towards increased usage over the years. Fuel-wood usage has decreased, while bio-gas, solar energy, and limited-scale wind energy have gained traction as alternative sources.

What is the Bhutan energy data directory?

The Bhutan Energy Data Directory is a valuable resource for policymakers, researchers, and anyone interested in the energy sector of Bhutan. It provides a wealth of data and information on various aspects of Bhutan's Energy Sector, including energy production, consumption, and distribution.

Does Bhutan rely on fossil fuels?

While electricity serves as the primary energy source in Bhutan, the reliance on coal and petroleum products highlights a significant dependence on fossil fuels to meet the country's energy needs. Energy efficiency measures and exploration of sustainable alternatives are essential in the Industry Sector to mitigate this reliance.

How much coal does Bhutan import?

However, the country did import a small quantity of anthracite, specifically 0.22 MT. As for sub-bituminous coal, Bhutan imported 39,389 MT, while the export amounted to just 24.16 MT. It is noteworthy that both coal imports and

exports, as well as unit exports, experienced a decline from 2014 to 2022.

What products are exported from Bhutan?

Bhutan's 3 largest exports by value are predominantly iron ferroalloys, dolomite, and monumental or building stone such as granite or sandstone. Collectively, that trio of leading products represents nearly two-thirds (64.3%) of the overall value of exported products from Bhutan.
