# **Can I bring an outdoor power supply to the customs in Pretoria**

## Overview

---

What are the customs regulations in South Africa?

All travelers (residents, tourists, or foreign nationals) arriving in South Africa must pass through customs control. The South African Revenue Service (SARS) manages the South African customs regulations, which stipulate that travelers with items to declare must complete the South African Customs declaration form/ Traveller Card (TC-01).

Can I bring items to South Africa without paying duty?

Some items are restricted by South African customs rules, meaning you can only bring them in certain quantities without paying duty tax. Here are the duty-free allowances per person: Important: Travellers under 18 are not eligible for South Africa's alcohol or tobacco allowances.

How to import goods to South Africa?

Before importing any goods to South Africa, it is important to understand the regulations and requirements. You will need to obtain an import permit from the International Trade Administration Commission of South Africa (ITAC) and comply with import regulations related to health, safety, and environmental protection.

Can I bring prohibited items to South Africa?

You must not bring any of these items with you to South Africa. Carrying prohibited items will lead to confiscation and other serious penalties. South Africa has strict regulations on items that require permits to be brought into the country. To bring the following goods, you must have the correct authorisation:.

Do I need an import permit in South Africa?

Yes, you will need to obtain an import permit from the International Trade Administration Commission of South Africa (ITAC). How much do I need to pay

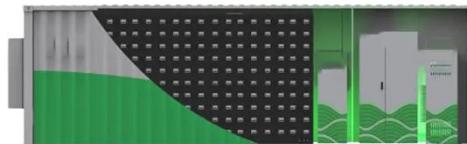

in taxes and duties when importing goods to South Africa?

Why do you need a customs declaration in South Africa?

The declaration is an essential step in successfully passing customs controls, and helps officials to establish if taxes or duties apply. It's mandatory at all ports of entry in South Africa. Some items are restricted by South African customs rules, meaning you can only bring them in certain quantities without paying duty tax.
