**Can I bring outdoor power supply to Mexico How much does it cost**

## Overview

---

Mexico uses the same power plug as North America. So, you will not need a travel adapter if you are from Canada or the USA. Travelers from the rest of the world will need a North American travel adapter.

Can I plug my Device into a power outlet in Mexico?

The standard voltage in Mexico is 127 V, and the frequency is 60 Hz. If your device supports this voltage range, you should be able to directly plug it into a power outlet. 2. Power adapter compatibility: If your device's power adapter is not compatible with the Mexican voltage, you will need a voltage converter or transformer.

Do I need a travel power plug adapter for Mexico?

Since Mexico uses the same power plugs as the U.S., Canada and most of North America, a travel power plug adapter isn't necessary for those travelers. If you don't have Type A or B plugs (top photo), you will need this travel plug adapter for Mexico.

Do device plugs work in Mexico?

Most device plugs will work with the outlet types in Mexico. Also, the voltage in Mexico is the same as in the United States and Canada. Please note: an adapter will be needed if your device plug has a grounding pin and you are trying to use a Type A outlet. For this reason, we always recommend traveling with a universal travel adapter.

Can you use a power strip in Mexico?

Type B has two flat pins and one round pin. You can use type A plugs in type B outlets, but you can't use type B plugs in type A outlets. Some travelers like to bring a power strip to Mexico just in case they can't find both plugs available in their place of accommodation. One thing to note is that many outlets in Mexico are not polarized.

What type of power outlet do they use in Mexico?

See our product selection criteria and guidelines here. Which power outlets do they use in Mexico?

Mexico is associated with 2 types of plugs, Type A and Type B. (Type A) has two vertically parallel, rectangular pins; (Type B) has the same flat pins with an additional round grounding pin.
