Overview

Where can I buy air conditioners in South Africa?

Big Savings! Air Conditioner Sales and Deals You Don't Want to Miss in South Africa. At Aircons24, we bring you exclusive discounts on trusted brands like Samsung, LG, Jet-Air, and more—along with expert installation and after-sales support in Cape Town and the Western Cape.

Who is Cape climate?

From aircon to solar — we're your trusted Cape Town team Air Conditioning Company - Cape Climate is your trusted partner for sustainable temperature control and energy independence. We provide eco-friendly air conditioning and solar power solutions to homes and businesses across Cape Town and the Western Cape.

Does Cape Town High School have solar panels?

Cape Town High School is embarking on the installation of solar panels at our school! This project is a partnership between Cape Town High School and the Sun Exchange and Soventix companies. It has zero upfront costs for Cape Town High. The school only pays for the energy it consumes - that is much lower than the City of Cape Town.

Who is Cape airconditioning?

In Cape Town, Cape Airconditioning is your go-to for all AC needs, mastering the specifics for homes and businesses alike. Our experts provide top-notch climate solutions, from flawless installations to diligent maintenance.
