China high voltage switchgear in Senegal

Overview

Who is a reputable switchgear manufacturer in China?

DOHO is one of the most reputable switchgear manufacturers in China, with over 10 years in the electrical industry. We produce a full range of low-voltage (LV) , medium-voltage (MV) switchgear and high-voltage switchgear (HV).

Who is Fengyuan switchgear manufacturer & supplier?

We're well-known as one of the leading switchgear manufacturers and suppliers in China. Our factory offers high quality switchgear made in China with competitive price. Welcome to contact us for customized service. FENGYUAN is one of the most professional switchgear manufacturers and suppliers in China for 10 years.

What types of switchgear do you offer?

We offer a broad range of switchgear products, including low voltage, medium voltage switchgear, and high voltage switchgear. We also offer a wide variety of components in all switchgear categories, such as circuit breakers, fuses and an array of switches.

What is a high voltage switchgear?

Our high voltage switchgear is made with high quality materials and components to ensure its long service life and reliability. DOHO HV switchgear products are designed for installation in locations with high voltage systems such power transmission and distribution.

What is a Doho HV switchgear?

DOHO HV switchgear products are designed for installation in locations with high voltage systems such power transmission and distribution. Our gas insulated switchgear is made with SF6 gas, which has excellent arc-extinguishing properties.

What type of switchgear does Doho offer?

DOHO offers a full range of medium voltage switchgear up to 36kV. Our medium-voltage products offer high mechanical and electrical strength as well as superior heat dissipation, and are suitable for use in an array of applications, including power generation, transmission, and distribution.
