# China wholesale bess storage system Wholesaler

## Overview

---

Where is Bess located?

1. Address: 1F, Building 2, No. 1876, Chenqiao Road, Fengxian District, Shanghai, China 2. Phone: 008613816499542 3. Email: [email protected]  
China's leading BESS company, dedicated to developing the best battery energy storage system and improve the efficiency of renewable energy storage.

What is the energy management system of Bess container battery?

The energy management system of the BESS container battery realizes online statistics, detection, and analysis. It continuously helps managers evaluate and formulate energy-saving effects, and improves energy management efficiency. Modular Design; Overall prefabricated production guarantees energy container shipping quality.

Who is Shenzhen sinostorage energy?

Based in China, Shenzhen Sinostorage Energy Co., Ltd is a specialist manufacturer of battery energy storage systems and back-up power solutions for various commercial, industrial, and residential scenarios.

Why should a Bess container battery be used?

Help the healthy and rapid development of new energy power systems. The energy management system of the BESS container battery realizes online statistics, detection, and analysis. It continuously helps managers evaluate and formulate energy-saving effects, and improves energy management efficiency.
