Companion 40ah power station in Uruguay

Overview

Where can I buy a companion Rover lithium 40ah power station?

Buy the Companion Rover Lithium 40Ah Power Station online at the Lowest Price Everyday with Fast Free Delivery on orders over \$69* and Same Day Dispatch from Snowys.

How much power does a companion Rover 40 Power Station have?

The Companion Rover 40 Power Station is small in size but packs a decent punch, offering 40amp of lithium power in a package that weighs just 6.5kg, which is enough to keep my 47L myCOOLMAN fridge running for just under two full days without a charge. I can charge the power station back up via 240V mains, 12V or solar.

What is a rover lithium 40ah power station?

The Rover Lithium 40Ah Power Station is ideal for powering 12V portable fridges/freezers and other items around your campsite. Features: Lithium power, ideal for 12V portable fridges/freezer 40AH Lithium LiFePO4 Battery Built-in MMPT Controller for Direct Solar Charging Multiple output charging options; 12V socket, USB.

Are there any lithium 40ah power stations available?

Sorry! We're unable to get our hands on any more of these. If you dream of staying off-grid for longer but still need to keep things charged, the Rover Lithium 40Ah Power Station from Companion is the trusty power solution to help turn that dream into reality.

How much power does a companion 200W solar charger produce?

When connecting the Companion 200W Solar Charger to my vehicle's battery, it could produce at best 10amp of output, which is fine by me. Companion claims a maximum output figure of 11.1amp per hour, so it's not far off the money.
