What is meant by direct delivery?

What is meant by Direct Delivery.?

?

directly loaded onto the ship from the truck – meaning it doesn't get offloaded at the CY (container yard) as is normally done with other containers.
directly discharged onto the truck from the ship – meaning it doesn't get shuffled to the CY (container yard) as is normally done with other containers.

Why should you choose Dili group?

We empower the food distribution system through technology in order to shorten the distribution process, improve the distribution environment, ensure food safety and quality, and increase distribution efficiency. Dili Group endeavors to be the most trusted food distribution service provider and supplier.

What is direct delivery in food retail?

In the food retail sector in particular, the decentralized nature of sales outlets has led to efforts to switch from regional central warehouses to direct deliveries. The principle: the goods are delivered directly from the supplier's production facility or warehouse to the customer or their point of sale (POS).
