

## SolarGrid Energy Solutions

**High quality high quality 3 2  
kva inverter company**

## Overview

---

What is a 2 kVA hybrid inverter?

A 2 kVA hybrid inverter, as offered by Gennex Technologies, is compatible with mains voltage, solar, and generator. It is built in an anti-dust kit for harsh environments and features a battery equalization function to optimize battery performance and extend life-cycle.

What are the different types of solar inverters?

Solar inverter, hybrid inverter, power inverter, split-phase inverter, energy storage inverter, 3 phase inverter, solar charge controller, energy storage battery and off grid solar power system are our main products.

What is the warranty on inverters?

Inverters approval: CE, IEC, TUV, CCC and other professional testing and certification. And obtained a number of national patent technologies. We offer inverters one to three years warranty. We guarantee all shipment fault less than 2%.
