# How many 5G base stations does Senegal Telecom have

## Overview

---

Does Senegal have a 5G network?

Senegal is experiencing increased availability of 3G/4G fiber optic services in the country, and limited 5G testing in Dakar. According to telecom regulatory agency ARTP, the internet penetration rate was 68 percent in 2019.

Will Sonatel's 5G mobile service democratize the Senegalese telecom market?

The launch of Sonatel's 5G mobile service is expected to democratize the service in a Senegalese telecom market dominated by mobile consumers. It should also help the company strengthen its market-leading position, particularly in the Internet segment.

When did Senegalese start 5G?

In July 2023, Sonatel became the first Senegalese operator to acquire a 5G license in the country, for nearly \$57 million. In March 2024, it announced the launch of ultra-high-speed commercial internet exclusively for residential and business customers. Senegalese telecom company Sonatel (Orange) announced the launch.

Does Senegal have a 4G network?

Sonatel the historic public operator of telecommunications in Senegal currently works under the brand, Orange, a French-based company. Orange has launched 4G and 4G+, while Free obtained its 4G License in 2018. Cable Services – In 2017, Senegal's bandwidth was 23 Gigabytes/second (Gb/s).

Does Sonatel have a 5G pilot in Senegal?

Sonatel, which trades as Orange in Senegal through that company's controlling stake, has launched commercial 5G pilot to provide fixed and mobile internet to residential and business customers in the country. The operator has invited prospective customers to see 5G in action at the Orange Digital Center (ODC) in Dakar.

What percentage of Senegal's Internet usage is dominated by 2G/3G/4G?

Internet usage is dominated by 2G/3G/4G mobile internet users, who accounted for 98 percent of the overall internet market as of December 31, 2020 . Senegal is experiencing increased availability of 3G/4G fiber optic services in the country, and limited 5G testing in Dakar.
