How to install the automatic power battery cabinet

Overview

How do I connect a battery cabinet to a power system?

Procedure 1. Furnished with the battery cabinet are battery disconnect circuit breaker alarm lead assemblies. Refer to the power system installation manual to use these alarm leads to connect the battery cabinet battery disconnect circuit breaker alarm into the power system alarm circuits.

What is included in the Battery Cabinet Manual?

This manual contains important instructions that should be followed during installation and operation of the battery cabinet. This product is designed for commercial / industrial use only, with UPS systems. It is not intended for use with life support and other designated critical devices.

How do I install a VDC battery cabinet?

Set first battery in cabinet and attach the long lead (fast-on connector side marked positive) from the cabinet to the fast-on terminal on the positive terminal of the battery. See Figure 24. Facing left Facing right Facing left
Vertiv™ NetSure™ 211 SERIES -48 VDC Battery Cabinet Installation & User Manual (Section 6023) Rev. L 23 Figure 24:.

How do you put a 4th Battery in a cabinet?

Place another inner battery spacer next to the third battery. 9. Set fourth battery in cabinet (being careful of the door fastener tabs hanging down) and attach the other end of the fast-on lugged cable to the negative terminal on the third battery (fast-on terminal).

How do you attach a battery cabinet to a relay rack?

Secure the battery cabinet to the relay rack with the provided 12-24 x 1/2" hex head thread-forming screws (six per side) (P/N 218710500) and #12 ground washers (three per side) (P/N 2156406 00). Torque these connections to 35.0 in-lbs. Wall Method WARNING!.

What to do if a battery cabinet is damaged?

In case of damage, notify immediately the carrier. The packing container of the battery cabinet protects it from mechanical and environmental damage. Preserve the packaging for later re-use. Refer in each moment to the electrical scheme at section 3.
