

SolarGrid Energy Solutions

Jamaica Photovoltaic Glass Sun Room

Overview

Is JSS a good solar company in Jamaica?

Jep Solar Solutions (JSS) is committed to being the best choice for solar energy systems in Jamaica. Through them, we can provide guarantee and warranty on the most efficient solar panels, batteries, and other solar equipment. Performance is guaranteed.

How do solar systems work in Jamaica?

In Jamaica, solar systems owners can connect to the electricity grid via a Net Billing, Power Wheeling, or Auxiliary Connections contract. This allows them to have access to the Jamaica Public Service Company Limited (JPS) grid, as per the Electricity Act 2015 and subsequent legislation.

Who is PS Jamaica?

PS Jamaica is a trusted Development, Engineering, Construction & Procurement company (commonly known as a DEPC). Everything we do is managed in-house from developing the project technically (including local planning permissions), through to the actual build phase and final connection to the power load (your factory or hotel for example).
