

**SolarGrid Energy Solutions**

# **Kigali Super Farad Capacitor Company**

## Overview

---

Who makes supercapacitor in China?

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercapacitor, module supercaps, high temperature supercap and hybrid capacitor.

Why should you choose kamcap supercapacitors?

As one of the leading ultracapacitor manufacturers, Kamcap provides high-quality supercapacitors. Because of the advantages of high power density, fast charging speed, and high reliability, along with the rapid development of science and technology, the application of supercapacitors in various fields will become more and more extensive.

Who is kamcap supercapacitor?

Kamcap supercapacitor is one of the most professional ultracapacitor companies with the largest production scale, the most complete product specifications and the most competitiveness in China. We are not only aimed at producing the best ultracapacitor, but also making contribution to the development of global energy and creating value for customers.

Which SuperCap is best for a supercapacitor?

Kamcap super capacitor, your best choice for supercapacitor! Coin cell supercaps are from 0.047 Farad 5.5V to 1.5 Farad 5.5V, including type C, type H and type V supercap types. The performance characteristics of 0.047F ~1.5F 5.5 V ultracap are standard energy series.

What are the characteristics of supercapacitor products?

The supercapacitor products developed and produced by the company are small in size, large in capacity, high in power, long in life, and good in temperature characteristics. The product types are mainly winding cylindrical,

square, and pay attention to the specifications of various products such as modules.

What are the different types of supercapacitors?

The product types are mainly winding cylindrical, square, and pay attention to the specifications of various products such as modules. Supercapacitors cover large, medium and small supercapacitors, and the capacity of standard products ranges from 0.06F to 10000 F.

## Kigali Super Farad Capacitor Company

---

### List of Super Capacitor companies in China

DeYo Electronic Technology Co., LTD is a leading & biggest specialized manufacturer and exporter of super capacitor (also called ultracapacitor, farad capacitor, gold electric double ...

---

### Jinzhou Kaimei Power Co., Ltd.

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined

...

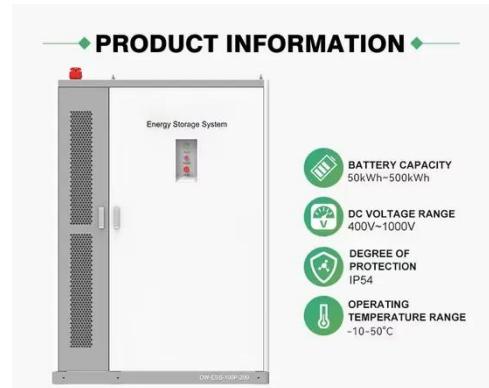

### ShenZhen Forecon Super Capacitor Technology Co.,Ltd >> ...

Shenzhen Forecon Super Capacitor Co., Ltd. is located at the front position of the reform and open policy-Shenzhen. Via introducing overseas advanced technology, the company has ...
