# **Mobile Indoor Power Box Specifications**

## Overview

---

How many kWh can a powerbox Pro store?

It is especially designed with IP65 for more flexible and easier installation indoor or outdoor with wall-mounted and landed installation options. With up to 10 kWh for a single unit and max. 5 units in parallel with performance, it can meet the household electricity. Get ready with Powerbox Pro for super power storage life.

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box.

What is a NEMA 1 indoor distribution box?

The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box. Lex Products has a portable power distribution box you need for your industry.

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

How many amps does a Lex distribution box have?

Lex Products distribution boxes range from 20-800 Amps and are known for their unprecedented durability, safety and reliability. Whether you need a power distribution box for backup power, emergency relief or indoor/outdoor events, Lex Products has you covered.

## What is the best power doghouse box?

Both stackable and compact for easy storage, the Lex Products Bento Box® is the power doghouse box you want. The Bento Box® is the smallest most portable power distribution pack in its class. This Bento Box® series features multiple boxes that can be connected together for multiple power distribution locations from one easy source.
