

# **Morocco flow battery construction**

## Overview

---

In November 2024, Saudi Arabia's ACWA Power and China's Gotion High-tech reached a cooperation agreement to build a 500MW wind farm in Morocco, equipped with a 2GWh battery energy storage facility, with an investment of approximately \$800 million. What's going on with EV batteries in Morocco?

The battery industry chain centered around LFP is forming rapidly. In June this year, the Moroccan government announced that Gotion High-Tech would invest \$1.3 billion (US) to build a gigafactory for EV batteries.

Does CATL have a battery production base in Morocco?

CATL has already planned over 100 GWh of production capacity at its European factories. Additionally, Sunwoda is also setting up a battery production base in Morocco. The number of material manufacturers investing in Morocco is even larger.

What is gotion power Morocco?

The Moroccan project, led by Gotion's wholly-owned subsidiary Gotion Power Morocco S.A., will be located in the Rabat region. Designed for phased development over five years, it aims to integrate battery cell production with a localized raw material supply chain, leveraging Morocco's strategic industrial base and regional advantages.

How much does gotion Power Invest in Morocco?

The total investment is estimated at CNY19.1 billion (\$2.63 billion). The Moroccan project, led by Gotion's wholly-owned subsidiary Gotion Power Morocco S.A., will be located in the Rabat region.

Does sunwoda have a battery production base in Morocco?

Additionally, Sunwoda is also setting up a battery production base in Morocco. The number of material manufacturers investing in Morocco is even larger. In April this year, Zhongke Electric planned to invest about \$699 million (US) to

implement an integrated base project for producing 100,000 tons/year of anode materials in Morocco.

Which Chinese lithium battery companies are based in Morocco?

Since 2023, several Chinese lithium battery industry chain companies, including CATL, Gotion High-Tech, Sunwoda, BTR, Huayou Cobalt, CNGR Advanced Material and Tinci Materials, have collectively invested in Morocco and built factories. The battery industry chain centered around LFP is forming rapidly.

## Morocco flow battery construction

### Plans for Gotion's battery factory in Morocco ...

Jun 10, 2024 · The Chinese battery cell manufacturer and Volkswagen partner Gotion High-Tech has signed an investment agreement with the Moroccan ...

## Morocco's Backup Energy Storage Battery Revolution: ...

Enter backup energy storage batteries, the unsung heroes keeping Morocco's renewable energy dreams alive. With 20% of its electricity already coming from renewables, Morocco aims to hit ...

### COBCO opens in Morocco first lithium battery ...

Jun 25, 2025 · COBCO, a joint venture between CNGR and Al Mada, launched today a two billion dollar lithium-ion battery materials plant in Morocco, the first ...

## Electric Vehicles: Morocco Inaugurates 40,000 ...

Jun 25, 2025 · Electric Vehicles: Morocco Inaugurates 40,000-Ton Lithium Battery Materials Plant The parent company, COBCO, is Morocco-based and is the ...

### **Vanadium pentoxide plant near mine in ...**

Apr 6, 2023 · Elcora developing a vanadium pentoxide plant in Morocco to complement raw materials extraction in development in the North African country.

### **Gotion Power breaks ground on major battery plant in Morocco**

May 22, 2025 · Gotion Power Morocco, a subsidiary of the Chinese-European battery maker Gotion High Tech, is about to begin construction of its battery megafactory near Kénitra. The ...
