## Overview

---

Who is generator Panama?

Generator Panama, S. A. prides itself in being a dedicated Panama manufacturer and supplier of high quality generators and power products, with the resources for providing turn-key small or large generators solutions and services. The team comprises of over 17 years?

experience in the power generation industry.

Who makes diesel generators in Panama?

distribuidora oceano int.,s.a. company that manufactures diesel generators in Panama. The company is the Original Equipment Manufacturer (OEM) for distribuidora oceano int.,s.aengines and their generators are free from vibration, noise and corrosion.

What is a containerised generator?

Our Containerised Generators deliver robust, high-capacity power from 300-3,000 kVA in secure, weather-resistant enclosures. Designed for challenging environments and critical applications, they offer noise reduction, easy transport, and bespoke configuration to meet your site's exact needs.

Who makes silent generator sets?

Generator Panama, S. A. Silent Generator Sets . Generator Panama, S. A. prides itself in being a dedicated Panama manufacturer and supplier of high quality generators and power products, with the resources for providing turn-key small or large generators solutions and services.

Why should you choose a containerised generator?

Containerised Generators are trusted across industries where reliability and resilience are non-negotiable, such as Healthcare and Rail infrastructure. Every unit can be tailored to your project with options for fuel type, noise

attenuation, and space-saving layout.

Can you put a generator in a container?

Generators can be put into containers. There are a number of benefits to doing this including: Easier transportation and installation making them ideal for temporary or remote applications. They are more secure as typically they are lockable which prevents unauthorised access. Do I need to service my power system?

Put simply, yes.
