

SolarGrid Energy Solutions

Philippines Cebu Wind and Solar Energy Storage Power Station

Overview

How will a solar power plant help the Philippines?

The 187-hectare solar power plant, which is a kilometer away from Talisay substation of the National Grid Corporation of the Philippines, will generate around 280 gigawatt-hours of clean energy annually that can serve 300,000 people. The project will also cut 259,000 tons of carbon dioxide emission annually.

What is a GW power plant in the Philippines?

Strategically located in the Philippines, the comprehensive development is designed to harness substantial renewable energy resources, boasting a total planned capacity of 3.5 gigawatts (GW) of photovoltaic (PV) power and 4.5 gigawatt-hours (GWh) of energy storage.

What is Acciona Energia Global's Daanbantayan solar power plant?

ENERGY PPP. Cebu Governor Gwendolyn Garcia leads the groundbreaking ceremony of Acciona Energia Global's Daanbantayan Solar Power Plant in Talisay, Daanbantayan, Cebu on March 16, 2025. The project is the country's first public-private partnership in the energy sector. (Photo courtesy of BOI).

How much electricity does Cebu have?

A 45-minute outrigger boat ride from mainland Cebu can reach it. It is an off-grid island, meaning it is not connected to the primary grid and only has four hours of electricity access provided by a 194 kVA diesel generator. The current electricity tariff is US\$0.14 per bulb and US\$0.16 per outlet, or approximately US\$1.21 per kWh .

Will Terra become the largest integrated photovoltaic power station in Southeast Asia?

This project marks a significant milestone as Terra is poised to become the largest integrated photovoltaic and energy storage power station in Southeast

Asia.

Why did Daanbantayan solar power plant break ground?

MANILA – The PHP7.5-billion Daanbantayan Solar Power Plant broke ground this week after its documentary requirements were fast-tracked by national government agencies (NGAs) and local government units (LGUs) under the Marcos administration's green lane initiative.
