

## SolarGrid Energy Solutions

# Photovoltaic solar panels in Armenia

## Overview

---

Who makes solar panels in Armenia?

Solaron is the first manufacturer of solar panels in Armenia, which annual production capacity reaches about 60 megawatts. Brand “Solaron” is a registered trademark for products manufactured by Profpanel. In Solaron Company merged a team of highly qualified professionals with many years of experience in the business organization from scratch.

Is Solara a green economy in Armenia?

THIS IS NOT FUTURE. THIS IS NOW! Solar photovoltaic installation company SOLARA has adopted a strategy to carry out activities in the field of the green economy in Armenia and promote its development. Why Choose Solara?

There is a great potential for solar energy in Armenia.

What is solar energy in Armenia?

Solar energy in Armenia is an important source of renewable energy, and its technologies are broadly characterized as active solar or passive solar, depending on how they capture and distribute solar energy or convert it into solar power.

Where is Solaron available in Armenia?

Solaron's services are available throughout all regions of Armenia. Solaron is the first manufacturer of solar panels in Armenia, which annual production capacity reaches about 60 megawatts. Brand “Solaron” is a registered trademark for products manufactured by Profpanel.

What is Armenia's largest solar power plant?

The 200-megawatt plant named Ayg-1 will be Armenia’s largest solar power plant with a capacity of around half of Armenia’s main energy generator, the Metsamor nuclear power plant. The plant is planned to be built in the

Aragatsotn province in an area of over 500 hectares located in Talin, Dashtadem, Katnaghbyur and Yeghnik communities.

When will Solaron participate in Armenia Expo 2024?

Solaron will participate in ARMENIA EXPO 2024 on September 6-8, which is an exhibition organized by the Union of Industrialists and Businessmen of Armenia and LOGOS EXPO Center. It will take place in 2024. from September 6 to 8 at the sports concert complex named after K. Demirchyan.

## Photovoltaic solar panels in Armenia
