

SolarGrid Energy Solutions

Port Moresby Large Outdoor Power Wholesale

Overview

What is Port Moresby power station?

The Port Moresby Power Station will provide reliable power to Port Moresby and is the lowest cost dedicated grid connected thermal generation in the country. Replacing heavy fuel oil and diesel, the gas-fired power plant also brings a material reduction in the environmental impact from power generation in PNG.

Who is Powa industries?

POWA INDUSTRIES – All your electrical needs under one roof! Powa Industries Limited is a Papua New Guinea registered company specializing in wholesale and retail distribution of electrical parts and accessories. Established in 1991, it is among the pioneers in the industry in the country's capital, Port Moresby.

Why is electricity so important in remote areas of PNG?

Having a reliable electricity supply is essential for modern life and development. In remote areas of PNG this can be a challenge and it isn't always easy in town either. Lohberger engineering had its genesis in energy supply. We have been supplying electrical generation equipment since the company began in Port Moresby five decades ago.
