Solar PV Panel Prices in Northern Cyprus

Overview

What is a commercial photovoltaic system in Cyprus?

Commercial photovoltaic systems in Cyprus are usually used by businesses for self-consumption. That is, the energy generated by the solar panels is solely used for the building where the panels are installed.

Where can photovoltaic panels be installed in Cyprus?

Photovoltaic systems can be installed on flat and inclined roofs and on the ground. Our team can visit the place where you want the solar panels to be installed, evaluate the amount of space, sun exposure and possible shading and suggest the best place so that you make the most out of your photovoltaic panels in Cyprus.

What are solar panels used for in Cyprus?

Solar panels in Cyprus are used for residential, industrial and commercial properties. Other than home use, many businesses install photovoltaic panels in Cyprus for self-consumption. That is, they use the energy the photovoltaic system generates directly, but cannot store any excess energy for following months.

Does Cyprus support photovoltaic systems?

The government of Cyprus, along with the RES and Energy Conservation Fund, offers support schemes for the installation of photovoltaic systems. This is because solar power is considered to be the future of energy and promoting the use of renewable energy sources is a priority.

Can I use photovoltaic systems to harvest solar energy in Cyprus?

Using photovoltaic systems to harvest the solar energy in Cyprus is a no-brainer. Learn how you can save € with solar panels via the Net Metering scheme. Using photovoltaic systems to harvest the solar energy in Cyprus is a no-brainer. Learn how you can save € with solar panels via the Net Metering

scheme.

Who is eligible for a photovoltaic system in Cyprus?

Anyone with Cyprus permanent residency is eligible for a photovoltaic system in Cyprus, given that the property they want the panels to be installed on is interconnected with the EAC network and it was built according to the regulations of the Department of Town Planning and Housing.
