

SolarGrid Energy Solutions

Solar photovoltaic panels in Casablanca Morocco

Overview

How much will Morocco's solar energy project cost?

In November 2009 Morocco announced a solar energy project worth \$9 billion which officials said will account for 38 percent of the North African country's installed power generation by 2020. Funding would be from a mix of private and state capital. The ceremony was attended by U.S. Secretary of State Hillary Clinton and the Moroccan king.

Who is SUNQ solar?

At SUNQ, we are a leading distributor of solar panels, BIPV solar modules, and aluminum mounting systems. We also offer a range of inverters, DC accessories, and other solar components to help our clients meet their energy needs.

What brands of solar products do you carry?

We carry top brands such as Jinko and JA SOLAR, ensuring that our customers have access to the best products on the market. BIPV solar modules, or Building Integrated Photovoltaics, are a revolutionary way to generate renewable energy and improve the efficiency of buildings.
