

SolarGrid Energy Solutions

**Solar water pump manufacturer
in Auckland New Zealand**

Overview

Who makes able solar water pumps?

Dedicated to optimal efficiency and delivering a complete solution, Able Solar uses and supplies Lorentz solar water pumps – a leading manufacturer and global leader in solar-operated pump systems. Each solar-powered water pumping system is made up of a Lorentz pump end, brushless, 3ph pump motor and a controller.

What is a solar-powered water pumping system?

Each solar-powered water pumping system is made up of a Lorentz pump end, brushless, 3ph pump motor and a controller. This modular concept keeps all the electronics above ground providing ease of access for simple servicing which in turn makes these very economical to own.

Can a Lorentz solar pump help a New Zealand farm?

Remote water sources will never again be a problem for New Zealand farms. With a Lorentz solar pump, you can draw water from anywhere and any source, or work with an irrigation system you already have and operate. With efficient water supply and management in place, good land is used to its full capacity.

What are the best water pumps NZ has to offer?

The best water pumps NZ has to offer makes use of solar power systems. Increase the supply of water and benefit from the abundance of clean, alternative energy with Lorentz pumps. If you have an excellent water source within your farm that's beyond the reach of any power source, it might well be worth a look.

What is a'mains free' solar water pump?

Specialising in “Mains Free” solar water pumps, allowing customers to beat the high installation and electricity cost and add water to otherwise dry areas.

NO JOB TOO BIG OR SMALL WE HAVE ONE FOR ALL! A great cost-effective option that gives all rivals (mains, diesel, hydro etc.) a run for their money.

Why do you need a solar water pump?

Powered using solar panel installations, these systems can save you a lot of money on fuel and time on maintenance. Dedicated to optimal efficiency and delivering a complete solution, Able Solar uses and supplies Lorentz solar water pumps – a leading manufacturer and global leader in solar-operated pump systems.
