

## SolarGrid Energy Solutions

# Sunshine Family Photovoltaic Solar Panels

## Overview

---

Who is Sunshine solar?

Sunshine Solar, we are specializing in solar panels, complete solar power system and batteries since 2004 in China. Our products have wide running range, sell goods over 80 countries. We have supplied more than 3GW photovoltaic solar panels and millions of units of batteries, solar charger controllers and solar inverters.

What types of PV modules does Sunshine solar offer?

Sunshine Solar Panels offer a variety of photovoltaic (PV) modules, each designed to meet specific energy needs and applications. Below are some details about the PV modules provided by Sunshine Solar. 1. Monocrystalline PV Modules Efficiency: Typically around 18-22% Power Output: Available from 300W to 450W.

Who is Sunshine PV?

Sunshine PV is one of the leading manufacturers specialized in solar power energy products both indoor and outdoor with more than 12 years experiences.

What does Sunshine Solar do?

Sunshine Solar is focusing on product development, production, system integration, sales and service. Products include Poly-crystalline PV panel, Mono-crystalline PV panel, Lithium Battery, Valve Regulated Lead Acid ( VRLA) Battery, solar charge controller, solar inverter, Turn-key completed Off Grid and On Grid solar systems.

Who is polyshine solar?

Polyshine Solar Co., Ltd. has always adhered to the mission of "Light and flexible, shining in the renewable energy world", and with the vision of "To be a leader in lightweight & flexible renewable energy technology", it has laid out

and deeply cultivated BAPV/BIPV green energy solutions adhere to technological innovation.

Where is Sunshine based?

Sunshine, the headquarters is located in Jiangyin City, a famous city located in the south of Changjiang River, which is backed by the Taihu Lake and sits on the Yangtze River Delta. Here is Chinese core region for economic development, and is also a booming place for solar power industry.
