Timor-Leste portable power supply recommendation

Overview

What voltage is used in Timor Leste?

In Timor Leste, power plugs and sockets (outlets) of type C, type E, type F and type I are used. The standard voltage is 220 V at a frequency of 50 Hz. Timor-Leste, also known as East Timor, is a small island nation in Southeast Asia.

Do I need a power plug adapter in East Timor?

In East Timor, they use power sockets (outlets) of type C, E, F and I. In Australia, you have plugs I. You need a power plug adapter in East Timor for sockets type C, E and F. Sockets type I can fit your plugs, but may not always be available locally. We don't sell power plug adapters.

What type of plug does Timor Leste use?

Timor Leste uses a standard voltage of 220 volts and a frequency of 50 Hz. The country utilizes four different plug types: C, E, F, and I. Plug type C features two round pins, while plug type E, also known as the "Schuko" plug, has two round pins with two earth clips on the side. Plug type F is similar to type C but also includes two earth clips.

Do power plugs work in Timor-Leste?

In Timor-Leste, navigating power plugs can be a bit of a puzzle due to the variety of types in use, including C, E, F, and I. Understanding these plug types and knowing which countries share the same type can save you a headache and keep your devices charged.

Are there different plug outlets in Timor-Leste?

Different countries have different plug outlets, and there are a surprising number of variations out there. So to make sure you pack the right adaptor, read on for a handy guide to plug outlets in Timor-Leste. What plug types are used in Timor-Leste?

East Timor has 4 associated plug types: type C, type E, type F and type I.

What type of power socket is used in East Timor?

The power sockets in East Timor are of type C, E, F and I. The standard voltage is 220 V at a frequency of 50 Hz. You need a power plug (travel) adapter in East Timor.
