Where can I buy 12V Transformers?

Shop 12V transformers at Jaycar. Click & Collect today or choose free delivery on selected online orders over \$99. Browse the full range online now!.

Who makes GBE power transformers?

GBE Australia produces resin and oil power transformers that can cover many different fields of application. They are made with an appropriate design and, thanks to its construction technology, GBE manufactures power transformers with a high harmonic content. GBE Australia specialises in producing class F or H air and resin and oil reactors.

What is an oil power transformer?

In this type of transformer, the magnetic circuit and the windings are immersed in an insulating liquid such as oil. This can be mineral, silicone, ester or vegetable type. GBE Australia produces resin and oil power transformers that can cover many different fields of application.

What types of reactors does GBE Australia produce?

GBE Australia specialises in producing class F or H air and resin and oil reactors. These can be for either indoor or outdoor applications up to 5000 A/52 kV. Our specially trained staff provide on-site inspections to better serve you
