# Victoria 100W Solar Street Light Manufacturer

## Overview

---

Who makes solar street lights?

Sunmaster has over ten years of experience as a manufacturer of solar street lights. Hundreds of roadway lighting solutions, solar yard lighting solutions, and commercial solar street lighting solutions have been provided by the company. Sunmaster is based in Jinghua, Zhejiang.

Who makes LED street lights?

Unicorn Lighting provides a wide variety of state-of-the-art LED lighting solutions for a range of applications, including solar and LED street lights. Socreat, headquartered in Shenzhen, Guangdong, China, is a relatively new company, but its commitment to creating efficient All-in-One solar street lights has gotten them noticed.

What is solar street lighting?

Solar street lighting is a reliable and long-lasting option for areas that receive plenty of sunlight. Leading manufacturers have carried out in-depth studies, patented concepts and innovations, and provided customized lighting options for public and commercial projects.

Who are the best solar street light manufacturers?

Our next highlighted solar street light manufacturer is Leadsun, which is well-known in Australia and around the world. Leadsun, founded in Zhuhai, China, has been a prominent player in the market for 13 years, providing a varied range of models to fulfil varying project requirements.

Does socreat sell street lights?

In addition to street lights, Socreat also sells solar garden lights, such as the well-liked Solar Bee Light. Intefly, headquartered in Shenzhen, Guangdong, has been a significant participant in the solar lighting business for about 14 years.

Who is socreat solar street lights?

Socreat, headquartered in Shenzhen, Guangdong, China, is a relatively new company, but its commitment to creating efficient All-in-One solar street lights has gotten them noticed. Socreat specializes in road lighting and has completed numerous illumination projects with success in more than 70 countries.
