

SolarGrid Energy Solutions

Warsaw micro photovoltaic panel structure manufacturer

Overview

Where are photovoltaic systems made?

As a producer of photovoltaic structures, we provide solutions perfectly tailored to your individual needs in the range of both roof and freestanding photovoltaic systems. All of our products are manufactured in Poland. We guarantee a quick delivery time and European quality. SALES SPECIALIST ul. Katowicka 8A, 46-200, Kluczbork.

Where are solar PV inverters made?

We develop solar PV inverters in the power class of up to 100 kilowatts at two locations in Germany: at the headquarters in Neckarsulm and also in Kassel. The production for the European market takes place exclusively in Neckarsulm.

What kind of poles do you use for the PV module?

Depending on the soil, we use either driven steel poles or poured with concrete. The above prices of the sets are prepared for the size of the PV module 1909x1140x30 mm. For a valuation of the mounting system for a different size of the PV module, please contact us.

What materials are used to build a photovoltaic system?

We use high-quality materials, such as galvanised steel or aluminium, and proven mounting accessories such as brackets, clamps, screws or racks. Our photovoltaic structures meet the highest quality and safety standards and are easy to install and dismantle.

What types of roofs can a photovoltaic structure be used for?

Our photovoltaic structures are suitable for different types of roofs: flat, pitched, container, as well as for mounting on the ground or facades. We use high-quality materials, such as galvanised steel or aluminium, and proven mounting accessories such as brackets, clamps, screws or racks.

Is ML system listed on the Warsaw Stock Exchange?

It has been listed on the Warsaw Stock Exchange since 2018. ML System products are an attractive alternative to traditional building materials. The company is a leader in its industry on the Polish market.

Warsaw micro photovoltaic panel structure manufacturer

Photovoltaic panel structures - Kensus

The free-standing structure systems offered by our company are made in accordance with the designers' constructional specifications and supported by appropriate design calculations ...
