

# **Which DC energy storage equipment is best in Azerbaijan**

## Overview

---

Will Azerbaijan deploy a battery energy storage system?

Signing of documents in Baku, Azerbaijan. Image: Republic of Azerbaijan, Ministry of Energy. Power plant developer ACWA Power and the government of Azerbaijan have signed an agreement to potentially deploy a battery energy storage system (BESS) in the central Asian country.

Is China a key partner in Azerbaijan's adoption of battery energy storage systems?

China is poised to become a key partner in Azerbaijan's adoption of Battery Energy Storage Systems (BESS) and other advanced energy technologies. During COP29, Azerbaijan's Ministry of Energy signed a Memorandum of Understanding with China Southern Power Grid International (Hong Kong) Co., Ltd and Powerchina Huadong Engineering Corporation Limited.

Is Azerbaijan embracing green energy?

In a significant move towards embracing green energy, Azerbaijan's leading energy company, Azerenerji JSC, has announced a tender for the creation of a 250 MW Battery Energy Storage System (BESS) in Azerbaijan.

How much energy does Azerbaijan need?

Interested companies have, until 10:00 AM on August 30, 2024, to submit their proposals, with the tender procedure set to take place later the same day. The Ministry of Energy estimates that to successfully integrate 2 GW of "green" energy, Azerbaijan requires a storage capacity of 250 MW.

Are solar energy trends relevant for Azerbaijan?

These trends are highly relevant for Azerbaijan, and during the COP29 climate conference, the Baku International Sea Trade Port (BISTP) and Malaysia's Tiza Green Energy (a subsidiary of Citaglobal) launched the country's first project integrating solar energy with a Battery Energy Storage System (BESS).

What is the biggest battery storage project in the Middle East?

It is currently developing what is thought to be the Middle East's biggest battery storage project to date, a 1,200MWh – 1,300MWh system planned at the Red Sea Project, an off-grid resort off the coast of Saudi Arabia.
