

**SolarGrid Energy Solutions**

# **Wholesale 1200 amp switchgear in Us**

## Overview

---

### What is electrical switchgear?

Our electric switchgear power systems deliver dependable, high-performance power distribution. Electrical switchgear is key for any power system, offering protection, isolation and control. At Aggreko, we provide an exhaustive switchgear range to suit everything from the smallest projects to large-scale industrial control rooms.

### Does Atlas electric sell reconditioned switchgear?

Atlas Electric stocks a large inventory of new, surplus and reconditioned low and medium voltage switchgear. In addition we are distributors and original equipment manufacturers utilizing switchgear components from many of the world's most popular brands.

### Who is OEM switchgear?

In addition we are distributors and original equipment manufacturers utilizing switchgear components from many of the world's most popular brands. Our OEM switchgear is designed and manufactured to provide years of safe, trouble free service and meet or exceed all applicable ANSI, IEEE and NEMA standards.

### Why do you need a switchgear power system?

From complete switchgear power systems to isolators, circuit breakers, relays and more, everything is designed to work in harmony. So you can take control of your operations, eliminate unexpected downtime, and maximise plant performance.

### What type of switchgear does Aggreko offer?

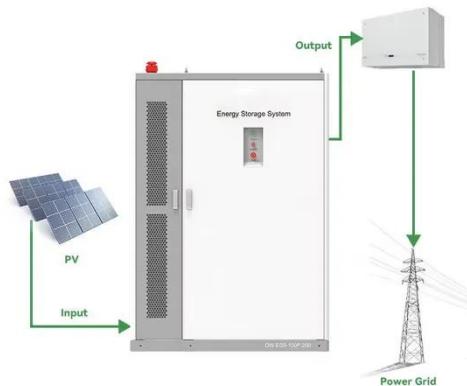

At Aggreko, we provide an exhaustive switchgear range to suit everything from the smallest projects to large-scale industrial control rooms. Working closely with you, we'll recommend the right switchgear solutions for your

electrical distribution system - whether that's low voltage, high voltage or anywhere in between.

Why should you choose Aggreko for your electrical switchgear?

Crucially, choosing Aggreko for your electrical switchgear guarantees precise matching with our generator and other electrical products and services. From complete switchgear power systems to isolators, circuit breakers, relays and more, everything is designed to work in harmony.
