

SolarGrid Energy Solutions

Wholesale afriipower inverter in Ireland

Overview

What is the afriipower pure sine wave inverter range?

The Afriipower pure sine wave inverter range is designed to withstand the challenges of our local operational environment, including low power supply, wide voltage fluctuations and the need to protect the user's battery bank and ensure longevity.

Is the afriipower 1700va a solar compatible inverter?

Simply put, it meets the basic power needs of an average family and can provide a reasonable autonomy period. The Afriipower 1700VA inverter is solar compatible, meaning you can integrate solar charging by installing solar panels.

What are afriipower inverters & tubular batteries?

Afriipower Inverters and tubular Batteries are Nigeria's most preferred brand of products in the business of uninterrupted Power Supply. Our Products have helped Nigerian masses to drastically bring down the usage of Generators and fossil fuels like diesel and Petrol.

Who is afriipower?

Afriipower provides reliable, efficient, comprehensive end to end power back up solutions to individual customers and corporate clients through pre/post sales and service support. Afriipower Inverters and tubular Batteries are Nigeria's most preferred brand of products in the business of uninterrupted Power Supply.

How many batteries do I need to run the afriipower 1700va inverter?

You require two 12V batteries to run the Afriipower 1700VA inverter. The 100Ah to 260Ah battery capacities are recommended, depending on the load and expected backup. The user needs to have adequate battery capacity to avoid overstretching the battery bank and ruining the batteries.

How many appliances can a afriipower cp1700 inverter support?

The 1.7kVA Afriipower CP1700 inverter will support the basic appliances of a household in a regular flat apartment. That will include, say: 3 domestic fans, 1 TV set, 4 CFL light points and a few other low energy appliances, for a backup target of about 6 hours.
