# Wholesale usb c power station in Canada

## Overview

---

What is a USB-C outlet with power delivery?

Engineered for intelligent charging and equipped with multilayered overcurrent protection, the USB- C Outlets with Power Delivery provide the precise amount of power needed to increase speed without the risk of damage.

What is a USB Type C charger & charging port?

USB Type C chargers and charging ports are not only faster and smaller than Type-A, they are the charging standard. Want to explore more of Legrand's designer USB Outlets?

Charge phones, tablets and small laptops up to 2X faster with USB C Power Delivery outlets with dual Type-C ports featuring up to 65 watts of power.

What is USB-C® Power Delivery (PD)?

Our team of experts is ready to address all your inquiries. Receptacles with USB-C® Power Delivery (PD) technology provide more power, up to 55W, and use less heat, while eliminating the need for power adapters when charging laptops and other larger devices all the while maintaining electrical outlets for higher current requirements.

What is a radiant 65W USB outlet?

The radiant® 65W USB Outlet delivers that fastest charging solution with dual Type-C outlets to safely and efficiently charge modern electronics, including the latest smartphones, tablets and small laptops. What is Power Delivery?

Charging speeds are about power. and about knowing what to do with it.

What is LeGrand's most powerful USB outlet?

Legrand's most powerful USB outlet is now available. The radiant® 65W USB

Outlet delivers that fastest charging solution with dual Type-C outlets to safely and efficiently charge modern electronics, including the latest smartphones, tablets and small laptops. What is Power Delivery?

.

What are USB-C hubs used for?

The purpose of a USB-C hub is like any other connectivity hub, and that's to connect multiple devices at the same time. With devices getting slimmer and thinner, there is less room for extra ports, and that's where hubs can be handy tools to facilitate the connections you otherwise don't have.
